## Construction Update

With a well-known expression “a picture is worth a thousand words” in mind, instead of offering a detailed construction update you are invited to view this short video (can also be accessed on the expansion webpage under the Video link) which showcases the work completed to date on the exterior of the structure.

Having completely transformed the outside of the building, the focus is now on completing the interior. To do so, we need your assistance so that we can hopefully open this magnificent state-of-the-art continuum care facility in 2025.

Visit [Expansion & Relocation Project](#) to learn more about the Expansion Project and how to get involved.

## Participate in the Capital Campaign by Donating Assets

While the stock market continues to be at historic highs following the recent election, **NOW** is the opportunity to support the expansion project by taking advantage of the benefits of donating stocks to help realize the completion of the new facility. Donating appreciated assets can avoid potential capital gains taxes on these assets if sold by the owner, while at the same time maximizing one's tax-deductible charitable contributions.

In essence, a person receives a higher tax credit for a donated appreciated asset than the asset may have cost that individual. Above and beyond personal financial benefits, the donor participates in a noble undertaking which will impact the lives of so many and will feel a deep sense of personal satisfaction he/she played a part in an undertaking which will be the pride of the Church and community. Consider donating stocks **BEFORE THE END OF THE YEAR** to receive a **charitable tax-deduction for 2024**.

Email [developement@stmichaelshome.org](mailto:developement@stmichaelshome.org) to donate stocks or other assets (real estate or other investments).

## Planned-Giving - Bequests

Planned giving remains an integral part of supporting the day-to-day operations of St. Michael's as well as the expansion project. Since some potential donors cannot make major contributions, we welcome gifts through other types of assets, including art, real estate and life insurance policies. **Bequests and gift annuities** are also an excellent way to provide for the continued financial well-being of the facility. Gift annuities allow donors to retain an income stream during their lifetime, while providing a future benefit to St. Michael's.

Throughout its life, the Home has been the recipient of countless bequests, large and small, from magnanimous individuals who included the facility in their *Last Will and Testament*. These bequests have played a critical role in assuring that the facility provides quality care to its beloved residents and have impacted their lives in a very positive way.
